[illegible]

The figure consists of five line drawings of a larva, labeled A through E, showing its development from an early stage to a more advanced one. The drawings are arranged horizontally. Labels A, B, and C are positioned above the first three drawings, while D and E are above the last two. The drawings illustrate the growth of various body parts, including the head, thorax, and abdomen, with specific features like antennae and legs becoming more prominent in the later stages.

The image displays two panels of a handwritten manuscript, likely from a medieval liturgical book. Each panel features a single staff of musical notation. The notation consists of square neumes (black squares) placed on a four-line red staff. Below the staff, there is a line of text written in a Gothic script. The text is in Latin and appears to be a liturgical text, possibly a Mass or a Vespers. The handwriting is dense and characteristic of the late 15th or early 16th century. The parchment is aged and shows some staining and wear.

JCOD 17 71

1. The first part of the paper is devoted to the study of the asymptotic behavior of the solutions of the system (1) as $\epsilon \rightarrow 0$. It is shown that the solutions of the system (1) converge to the solutions of the system (2) in the sense of the weak convergence in the space $L^2(\Omega; \mathbb{R}^n)$.

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some faint smudges and discoloration, characteristic of old paper. The left edge of the page shows the binding of the book, with visible stitching or staples. The overall tone is warm and slightly yellowed.A dark, rectangular object, possibly a book cover or a photograph, with a lighter, irregular shape in the center. The image is very dark and grainy, with some faint, illegible markings.

The image shows a dark, low-contrast scan of a document page. The page is mostly black with some faint, illegible markings and a vertical line on the left side. There are some very faint, blurry shapes that might be text or figures, but they are not discernible.

The image shows two facing pages of an old book. The pages are a light cream or off-white color, showing signs of age such as slight discoloration and faint, irregular staining. The left page has some very faint, illegible markings near the top edge, possibly from a previous page or bleed-through. The right page also has some faint, illegible markings near the top edge. The pages are bound together in the center, with visible stitching or staples. The overall appearance is that of a well-preserved but aged volume.
